HOW TO READ THE BUS SCHEDULE

Each schedule lists timepoints for several stops along the route, and these are shown on the accompanying route map. Read the schedule from left to right. To know when you should arrive at a stop that is between the listed timepoints, use the time from the timepoint before your stop.

If you need assistance with your trip planning, please call GCTD's Customer Service Center at 805-487-4222. You can also use Google Trip Planner located on the homepage of our website or download the GOVCbus app for real time arrivals.

CÓMO LEER EL HORARIO DEL AUTOBÚS

Cada horario muestra el tiempo para varias paradas a lo largo de la ruta y éstos se muestran en el mapa de la ruta que acompaña. Lea el horario de izquierda a derecha. Para saber cuando debe llegar a una parada que está entre el tiempo indicado, use el tiempo antes de su parada.

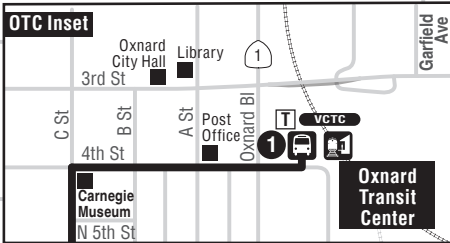

Si necesita ayuda con la planificación de su viaje, por favor llame a nuestro Centro de Servicio al Cliente al 805-487-4222. También puede utilizar Google Trip Planner disponible en nuestro sitio web o descarga la aplicación GOVCbus para obtener actualizaciones sobre el servicio.

HOW TO RIDE THE BUS

Bus stops are identified with a Gold Coast Transit District (GCTD) sign which lists the routes serving that stop. For the safety of our passengers, GCTD buses only stop at designated bus stops.

Arrive at your bus stop at least 5-10 minutes early and stand near the sign, bench or bus shelter so that the driver can see you. The driver may not stop if you are not clearly visible.

The route number and destination of each bus is displayed on a headsign above the bus's front windshield. Before boarding the bus, make sure it is the bus you wish to take. If you are unsure, ask the bus driver to assist you.

Please have your cash fare, pass or transfer ready before the bus arrives. Please see page 2 for current fares.

Passengers paying a reduced fare are required to present acceptable proof of eligibility upon boarding. Please see page 59 for identification requirements.

If your trip requires the use of more than one bus to reach your destination, ask the driver for a free, two-hour transfer ticket when you pay your fare. (See "How To Transfer" for more details). Day Passes are sold on board and offer great value if traveling on more than one bus. Remember, Day Passes issued on board are activated and are valid until 11:59pm that same day.

After paying your fare, please move promptly to a vacant seat. Seniors and people with disabilities have priority for the seats directly behind the driver. If seats are not available, move towards the rear of the bus and hold on to the grab rails.

About one block before your stop, pull the stop request cord or push the touch strip on the window frame to signal the driver that you want to get off at the next stop. Please be sure the driver has enough time to stop safely. If you are unsure where to get off the bus, tell the driver where you want to get off and ask him/her to announce the stop for you.

Please exit from the rear door. Gently push the touch bar on the doors to open them and hold the door handle as you exit the bus. After you exit, stand to the side of the road or on the sidewalk until the bus has pulled away.

For your safety, do not cross the street in front of the bus and obey all traffic signs and signals.

HOW TO TRANSFER

If you need to use more than one bus to reach your destination, ask the driver for a transfer when you pay your fare on the first bus. Transfers will only be issued at the time of payment.

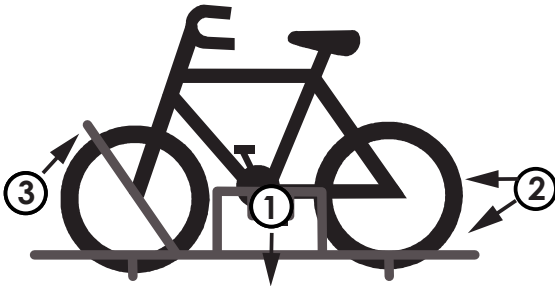

Transfers are free and can be used as your fare on any Gold Coast Transit bus, in any direction. The transfers are valid for two hours. The expiration information will be printed on the back of the transfer (see below).

Passengers using a Day Pass or 31-Day Pass will not be issued a transfer, but may board any bus in the system at any time during the validity period of the pass.

If you are concerned about catching your connecting bus, notify your driver that you will be transferring and ask him or her to call ahead to inform the next driver. **Please note that it may not always be possible to have the connecting bus wait.**

BIKE LOADING INSTRUCTIONS

You are responsible for properly loading and unloading your bicycle. All bags, child carriers, water bottles or any other objects must be removed prior to loading. Always load from the curb side of the bus.

- Alert the operator that you intend to load your bicycle, then lower the rack by pulling the handle. (See ① above)
- Lift your bike on to the rack. (See ② above)
- Lift the support arm up and over the front tire. (See ③ above)
- When leaving the bus, please advise the operator that you will be removing your bike and leave by the front door.
- When your bike is unloaded, raise the rack to the upright position.

Please also note that:

- GCTD is not responsible for loss or damage to bicycles.
- Each rack holds three bicycles with wheels 16 inches or larger in diameter. Bikes are accommodated on a first come, first served basis. If the bicycle rack is full, you may be asked by the operator to wait for the next bus.
- Bicycles longer than 80 inches (6.5 feet) and higher than 54 inches (4.5 feet) will not be allowed on the rack.
- Total weight must not exceed 250 pounds.
- Motorized bicycles are not permitted.

CÓMO VIAJAR EN EL AUTOBÚS

Las paradas se identifican con un letrero de Gold Coast Transit. Se indicaran las rutas que sirven esa parada. Para la seguridad de nuestros pasajeros, los autobuses de GCTD sólo se detienen en las paradas designadas.

Llegue por lo menos 5 - 10 minutos temprano a su parada. Esté parado junto a la señal, banca o resguardo del autobús para que el chófer pueda verlo. Es posible que el conductor no se detenga si no es claramente visible.

El número de ruta de autobús y el destino se muestran en un letrero electrónico arriba del parabrisas. Antes de abordar el autobús, asegúrese de que sea el autobús que desea tomar. Si esta inseguro, pídale ayuda al conductor del autobús.

Tenga su pasaje, pase o transferencia lista al abordar. Por favor tenga su identificación lista, ya que a todos los pasajeros se les requiere presentar prueba aceptable de elegibilidad para pagar tarifa de descuento.

Si su viaje requiere el uso de más de un autobús para llegar a su destino, pídale una transferencia gratis al conductor **cuando pague su tarifa**. Consulte la sección “Como Transferir” para más información. Recuerde, puede adquirir un Pase de Día a bordo de cada autobús, lo cual ofrece mucho beneficio si su viaje requiere más de un autobús.

Al abordar el autobús y pagar su tarifa, tome asiento. Tenga en cuenta que las personas mayores y personas con discapacidad tienen la prioridad en los asientos directamente detrás del conductor. Si no hay ningún asiento disponible, proceda al fondo del autobús y aférrese a las barandillas.

Una cuadra antes de su parada, jale el cordón para bajar o empuje la tira para señalar al conductor que quiere bajar en la próxima parada. Esté seguro que el conductor tenga bastante tiempo para poder parar con seguridad.

Por favor salga por la puerta de atrás. Empuje la barra suavemente y las puertas se abrirán. Sostenga la puerta cuando salga del autobús. Después de que salga, manténgase de pie al lado del camino hasta que el autobús proceda adelante. Para su seguridad, no cruce delante del autobús.

CÓMO TRANSFERIR

Si necesita usar más de un autobús para llegar a su destino, **pídale al conductor una transferencia cuando pague su tarifa en el primer autobús.**

Transferencias son gratis y se pueden utilizar como tarifa en cualquier autobús de GCTD, en cualquier dirección. Transferencias son válidas por dos horas. La hora de vencimiento será imprimida en la transferencia (Figura A).

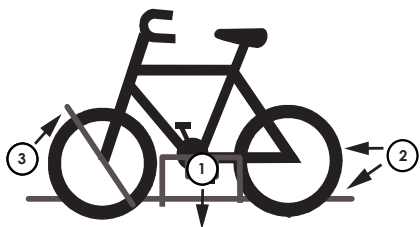

A los pasajeros con pases de día o de 31-Días, no se les emitirán las transferencias, ya que estos pases les permite viajar sin limite.

Si usted está preocupado sobre su conexión, pídale al conductor que llame al otro autobús para informarle de su traslado. **Tome en cuenta que no siempre sera posible hablarle al otro autobús.**

Figura A:

Usted es responsable de cargar y de descargar su bicicleta correctamente. Retire bolsas, portadores de niño, botellas de agua o cualquier objeto que pudiera caerse. Cargue siempre su bicicleta del lado de la banqueta del autobús.

- Levante su bicicleta hacia el estante. ②

- Al bajar el autobús, asegúrese de informarle al conductor que usted va a bajar su bicicleta del estante. Por favor baje del autobús por la puerta principal.
- Cuando este descargada su bicicleta, levante el estante a la posición vertical.
