SUBJECT: Retirement Employee Service Award for Cindy Robinson, Operations Supervisor

---

Please join us in congratulating Operations Supervisor Cindy Robinson on her retirement after twenty-seven years of service with Gold Coast Transit District. Cindy joined what was then South Coast Area Transit as a Bus Operator on January 6, 1992; she was promoted to Temporary Supervisor in 2001 and Permanent Supervisor in 2006. Cindy's longevity with GCTD includes an accident free driving record. As a Department of Motors Vehicles Certified Trainer Cindy has trained GCTD's bus operator candidates since 2008. She has trained over 125 bus operators and maintenance personnel in the last thirteen years. Of the 131 bus operators currently employed with GCTD, Cindy trained 89; her contributions will be felt for years to come.

Cindy is married to Rodger Stephens (who retired from GCTD in 2016). Their daughter Valerie is currently in college. Cindy enjoys outdoor activities including camping and water sports. She also enjoys music, especially live concerts. Cindy is looking forward to her well-deserved retirement. She plans to watch leisurely sunsets at the beach, travel and spend time with her extended family.

On behalf of the GCTD Board, the General Manager and staff, we recognize and appreciate Cindy for twenty-seven years of service to GCTD and the community. We extend our sincere appreciation for her dedication and commitment to safe transportation for our passengers, the community and her co-workers. We wish you the best of luck in your retirement.
