

Item #9

DATE: June 7, 2017

TO: GCTD Board of Directors

FROM: Steve L. Rosenberg *SLR*
Director of Finance and Administration

SUBJECT: **Consider Adoption of Resolution No. 2017-08 Authorizing Staff to File a Claim for Transportation Development Act (TDA) Funds**

I. EXECUTIVE SUMMARY

The Gold Coast Transit District (GCTD) FY 2017-18 budget is funded from numerous sources, including local, state and federal funds, passenger fares, advertising revenue, interest income and gain on disposed property. The largest share of local funding is provided through the use of Transportation Development Act (TDA) funds. Within the GCTD budget there are typically two components which are included in the TDA Claim—(1) Local Transportation Funds (LTF) and (2) State Transit Assistance funds (STA).

As a transit district, GCTD is entitled to claim all LTF funds allocated by VCTC to its member agencies based on population. As part of GCTD's budget process, District members may, in turn, claim from GCTD a portion of the funds for recurring expenses associated with transit services for the operation and maintenance of locally supported transit facilities. LTF funds in the claim are typically used by GCTD to support operations and capital projects.

GCTD's Local Transportation Fund (LTF) funding is projected, pending approval by the Ventura County Transportation Commission (VCTC) on June 2, 2017, to be \$15,043,768. Of that amount, a net amount of \$1,776,941 is allocated to member recurring transit requirements, \$270,334 is allocated to member capital projects, \$36,250 is allocated to repay COP debt incurred to finance the new Administration and Operations Facility, and the remainder is allocated to GCTD operations.

At this time the State Controller's Office has not provided a definitive allocation amount for GCTD's FY 2017-18 State Transit Assistance. The resolution authorizes filing of a claim for 100% of available STA funds.

II. RECOMMENDED ACTION

IT IS RECOMMENDED that the Board of Directors adopt Resolution No. 2017-08, authorizing the filing of a TDA claim for the appropriate amount.
