Alma started working as a bus operator for GCTD on October 26, 1993. She will achieve 30 years this October. Recently she earned an award for 25 years of safe driving.

Additionally, because of her safe driving, she has achieved over 90% of on-time performance, meaning that her bus is on schedule while providing excellent customer service at the same time. She received a commendation from our customers stating that she is very polite and friendly.

I want to thank Alma for being an excellent example of a GCTD bus Operator ambassador.
