HOW TO READ THE BUS SCHEDULE

Each schedule lists timepoints for several stops along the route, and these are shown on the accompanying route map. Read the schedule from left to right. To know when you should arrive at a stop that is between the listed timepoints, use the time from the timepoint before your stop.

If you need assistance with your trip planning, please call GCTD's Customer Service Center at 805-487-4222. You can also use Google Trip Planner located on the homepage of our website or download the GOVCbus app for real time arrivals.

CÓMO LEER EL HORARIO DEL AUTOBÚS

Cada horario muestra el tiempo para varias paradas a lo largo de la ruta y éstos se muestran en el mapa de la ruta que acompaña. Lea el horario de izquierda a derecha. Para saber cuando debe llegar a una parada que está entre el tiempo indicado, use el tiempo antes de su parada.

Si necesita ayuda con la planificación de su viaje, por favor llame a nuestro Centro de Servicio al Cliente al 805-487-4222. También puede utilizar Google Trip Planner disponible en nuestro sitio web o descargue la aplicación GOVCbus para obtener actualizaciones sobre el servicio.

RIDING THE BUS TO SCHOOL

Taking public transit to and from school is an excellent option for those whose schedules do not coordinate with their school's bus schedule, or live outside of the school district's transportation network. GCTD is clean, reliable, safe and serves many of the local colleges, high schools, and middle schools throughout western Ventura County. Find your school below and see which bus routes GO there. Our friendly Bus Operators are happy to assist students and our Customer Service Center is available to help plan your trip. Best of all, youth ride free*. Anyone aged 18 and under, or over 18 but enrolled in High School, will be free to ride on GCTD fixed-routes buses. To plan your trip, you can call us at (805) 487-4222, use our Google Trip Planning tool, or download the GOVC bus app to find the nearest bus stop and route near you and your school.

ROUTE 18 - SCHOOL TRIPPER SERVICE

School Tripper buses (Route 18) are added to specific routes during the school year to prevent overcrowding due to an increase in student ridership. Students can use this service in addition to our fixed route bus service to get to their school. School Tripper service is a limited-stop service that is coordinated with the school's morning and afternoon bell schedule, in addition to early dismissal days. This service is open to the public.

**Please note: The Youth Ride Free program is contingent on funding availability and is subject to change.*

To receive your free 75+ ID card, please visit our Customer Service Center at the GCTD Administration Office located at: 1901 Auto Center Drive Oxnard, CA 93036. You will need to present proof of age and photo ID to receive your card. Please call 805-487-4222 for more information.

GCTD REDUCED FARE ID CARD

Seniors 65 years of age and older can get a Gold Coast Transit Reduced Fare ID card by presenting photo identification with proof of age to staff at the Customer Service Center located at the Oxnard Transit Center or at 1901 Auto Center Drive, Oxnard, CA. No application is necessary.

People with disabilities may be issued a Reduced Fare ID card by Gold Coast Transit to prove their eligibility for a discounted fare on board its fixed route service. Applications are available at GCTD's Customer Service Center, on page 81 in this Bus Book and on our website, www.gctd.org.

The application form must be completed by a physician or licensed medical professional, licensed optometrist (for visual impairments), counselor or social worker (representing a recognized organization for persons with disabilities). Another way to receive a GCTD Reduced Fare ID card is for patrons who receive Social Security Insurance (SSI) to present their current SSI award letter as proof of disability.

You may return the completed application form by mail, by email (www.gctd.org), or in person at GCTD's Customer Service Center located at the GCTD Administration Office: 1901 Auto Center Drive, Oxnard, CA 93036. Once submitted, you can receive your GCTD Reduced Fare ID card. For more information, please call 805-487-4222.

HOW TO RIDE THE BUS

Bus stops are identified with a Gold Coast Transit District (GCTD) sign which lists the routes serving that stop. For the safety of our passengers, GCTD buses only stop at designated bus stops.

Arrive at your bus stop at least 5-10 minutes early and stand near the sign, bench or bus shelter so that the driver can see you. The driver may not stop if you are not clearly visible.

The route number and destination of each bus is displayed on a headsign above the bus's front windshield. Before boarding the bus, make sure it is the bus you wish to take. If you are unsure, ask the bus driver to assist you.

Please have your fare (cash, or e-fare: Token Transit, VCbuspass), pass or transfer ready before the bus arrives. Please see page 2 for current fares.

Passengers paying a reduced fare are required to present acceptable proof of eligibility upon boarding. Please see page 68 for identification requirements.

If your trip requires the use of more than one bus to reach your destination, ask the driver for a free, two-hour transfer ticket when you pay your fare. (See "How To Transfer" for more details). Day Passes are sold on board and offer great value if traveling on more than one bus. Remember, Day Passes issued on board are activated and are valid until 11:59pm that same day.

After paying your fare, please move promptly to a vacant seat. Seniors and people with disabilities have priority for the seats directly behind the driver. If seats are not available, move towards the rear of the bus and hold on to the grab rails.

About one block before your stop, pull the stop request cord or push the touch strip on the window frame to signal the driver that you want to get off at the next stop. Please be sure the driver has enough time to stop safely. If you are unsure where to get off the bus, tell the driver where you want to get off and ask him/her to announce the stop for you.

Please exit from the rear door. Gently push the touch bar on the doors to open them and hold the door handle as you exit the bus. After you exit, stand to the side of the road or on the sidewalk until the bus has pulled away.

For your safety, do not cross the street in front of the bus and obey all traffic signs and signals.

HOW TO TRANSFER

If you need to use more than one bus to reach your destination, ask the driver for a transfer when you pay your fare on the first bus. Transfers will only be issued at the time of payment.

Transfers are free and can be used as your fare on any Gold Coast Transit bus, in any direction. The transfers are valid for two hours. The expiration information will be printed on the back of the transfer (see below).

Passengers using a Day Pass or 31-Day Pass will not be issued a transfer, but may board any bus in the system at any time during the validity period of the pass.

If you are concerned about catching your connecting bus, notify your driver that you will be transferring and ask him or her to call ahead to inform the next driver. **Please note that it may not always be possible to have the connecting bus wait.**

BIKE LOADING INSTRUCTIONS

You are responsible for properly loading and unloading your bicycle. All bags, child carriers, water bottles or any other objects must be removed prior to loading. Always load from the curb side of the bus.

- Alert the operator that you intend to load your bicycle, then lower the rack by pulling the handle. (See ① above)
- Lift your bike on to the rack. (See ② above)
- Lift the support arm up and over the front tire. (See ③ above)
- When leaving the bus, please advise the operator that you will be removing your bike and leave by the front door.
- When your bike is unloaded, raise the rack to the upright position.

Please also note that:

- GCTD is not responsible for loss or damage to bicycles.
- Each rack holds three bicycles with wheels 16 inches or larger in diameter. Bikes are accommodated on a first come, first served basis. If the bicycle rack is full, you may be asked by the operator to wait for the next bus.
- Bicycles longer than 80 inches (6.5 feet) and higher than 54 inches (4.5 feet) will not be allowed on the rack.
- Total weight must not exceed 250 pounds.
- Bikes and Scooters: Foldable bikes, e-bikes, e-scooters, e-self balancing boards are allowed. All personal e-devices must have sealed lithium-ion batteries (no car batteries, no homemade bikes/scooters). No GAS-powered bikes allowed. Non-foldable e-bikes must be secured in bike rack. Foldable bikes, e-bikes, e-scooters, and e-balancing boards can be brought on board if FOLDED, secured, and kept out of the aisle.

TITLE VI CIVIL RIGHTS

Gold Coast Transit District is committed to ensuring that no person is excluded from participation in, or denied the benefits of its services on the basis of race, color or national origin as protected by Title VI of the Civil Rights Act of 1964, as amended.

- No person or group of persons will be discriminated against with regard to fares, routing, scheduling, or quality of transportation service that GCTD furnishes, on the basis of race, color, or national origin.
- Frequency of service, age and quality of vehicles assigned to routes, quality of bus stops and location of routes will not be determined on the basis of race, color, or national origin.

For additional information on GCTD's obligation regarding non-discrimination, please write to GCTD General Manager, 1901 Auto Center Dr., Oxnard, CA 93036.

CÓMO VIAJAR EN EL AUTOBÚS

Las paradas se identifican con un letrero de Gold Coast Transit. Se indicaran las rutas que sirven esa parada. Para la seguridad de nuestros pasajeros, los autobuses de GCTD sólo se detienen en las paradas designadas.

Llegue por lo menos 5 - 10 minutos temprano a su parada. Esté parado junto a la señal, banca o resguardo del autobús para que el chófer pueda verlo. Es posible que el conductor no se detenga si no es claramente visible.

El número de ruta de autobús y el destino se muestran en un letrero electrónico arriba del parabrisas. Antes de abordar el autobús, asegúrese de que sea el autobús que desea tomar. Si esta inseguro, pídale ayuda al conductor del autobús.

Tenga su pasaje, pase o transferencia lista al abordar. Por favor tenga su identificación lista, ya que a todos los pasajeros se les requiere presentar prueba aceptable de elegibilidad para pagar tarifa de descuento.

Si su viaje requiere el uso de más de un autobús para llegar a su destino, pídale una transferencia gratis al conductor **cuando pague su tarifa**. Consulte la sección “Como Transferir” para más información. Recuerde, puede adquirir un Pase de Día a bordo de cada autobús, lo cual ofrece mucho beneficio si su viaje requiere más de un autobús.

Al abordar el autobús y pagar su tarifa, tome asiento. Tenga en cuenta que las personas mayores y personas con discapacidad tienen la prioridad en los asientos directamente detrás del conductor. Si no hay ningún asiento disponible, proceda al fondo del autobús y aférrese a las barandillas.

Una cuadra antes de su parada, jale el cordón para bajar o empuje la tira para señalar al conductor que quiere bajar en la próxima parada. Esté seguro que el conductor tenga bastante tiempo para poder parar con seguridad.

Por favor salga por la puerta de atras. Empuje la barra suavemente y las puertas se abrirán. Sostenga la puerta cuando salga del autobús. Después de que salga, manténgase de pie al lado del camino hasta que el autobús proceda adelante. Para su seguridad, no cruce delante del autobús.

CÓMO TRANSFERIR

Si necesita usar más de un autobús para llegar a su destino, **pídale al conductor una transferencia cuando pague su tarifa en el primer autobús.**

Transferencias son gratis y se pueden utilizar como tarifa en cualquier autobús de GCTD, en cualquier dirección. Transferencias son válidas por dos horas. La hora de vencimiento será imprimida en la transferencia (Figura A).

A los pasajeros con pases de día o de 31-Días, no se les emitirán las transferencias, ya que estos pases les permite viajar sin limite.

Si usted está preocupado sobre su conexión, pídale al conductor que llame al otro autobús para informarle de su traslado. **Tome en cuenta que no siempre sera posible hablarle al otro autobús.**

Figura A:

OPENING DOORS THROUGH CONNECTION

Ventura Housing & GCTD partner to expand sidewalks, bikeways, & transit access for Westview Village residents.

As a young girl growing up on Ventura Avenue, Alexia spent countless hours riding the bus with her mom and grandmother—every day after school and on quiet Sunday mornings before church. Now she shares that routine with her own daughter. “Having a bus stop on Warner has been very beneficial. Riding the bus teaches her independence,” she says.

Today, Alexia lives at Ventura Housing’s Westview Village, the city’s first public housing community, originally built in the 1950s and recently transformed into 286 modern, affordable homes with supportive services. Walking distance from the busy Ventura Avenue corridor, the neighborhood is surrounded by some of the county’s most active pedestrian, bike, and transit routes.

Since 2019, Gold Coast Transit District has partnered with Ventura Housing to strengthen access —building 11,000 feet of new sidewalks, adding two miles of bikeways to close network gaps and upgrading shelters along Ventura Avenue.

Alexia’s grandmother, now 76, still rides the bus to church, to appointments, and to visit family. Together, they make up four generations of women riders who show how affordable housing and reliable transit open doors to opportunity.
